Hello Zlatan,

first, I hope you're doing well. As for me, if I can reassure you, I'm doing great.

When you signed in my beloved soccer club, I got the hudge surprise to see that the domain name "**Zlatan.fr**" was available... do you believe that ?! So, I rushed to book it... you know, I really didn't want anyone wicked to take advantage of your name and image.

By the way, as you can see, I didn't put any commercial link on that website... you can admit that I am a nice buddy. I could have made a fortune with such a domain name !

So now, I give you the opportunity to have it back. And for that, as you can imagine, we won't bother with lawyers and endless procedures. Obviously it would be a waste of time and money for both of us. Instead, I got a much funnier idea. And as I am a very good guy, I let you have the choice of weapons.

Are you ready ? So here it is... if you manage to succeed in one of those challenges, the domain name "**Zlatan.fr**" will be yours :

- offer me a dedicated PSG jersey, with my name on it and the following quote : "After Zlatan, you really are the best !"
- stay at my place for a month. This way, all my life, I could say : "Ibra ? Sure, he used to sleep on my couch for a while."
- offer me 3 lifetime season tickets, for two of my friends and I. Obviously, I'm talking about Official tribune tickets... don't try to fool me with your crappy H Blue tribune tickets...
- win penalty kicks against me, at the Parc des Princes of course, so that you're at home and have no excuse in case I win.
- beat me at Taekwondo. I've heard you're not too bad at it. As I've never practiced that sport myself, I recommend you to choose this challenge.
- give me one of your hair lock as a gift. Samson's strength came from his long hair. I think it works the same way with you. Then, I can make a key ring with it, which will bring me power for the rest of my life.
